NOTIFICATION OF CONFIRMED COVID-19 CASE ON AN FISD CAMPUS

Dear Parent/Guardian,

In keeping with Frankston ISD's practices to respond to COVID-19, we are notifying all student families and staff members that an individual who was lab-confirmed to have COVID-19 was present on a campus of Frankston ISD. Due to privacy requirements, we will not be releasing the name of the individuals or details that may identify him or her.

The local health department has begun a case investigation and will contact any individuals determined to be in close contact with the infected individual. All students and staff that came into close contact will be directly notified. Those that were in close contact will remain off campus for up to 14 days to ensure they do not have the virus, so that there will not be any further spread. We will keep you apprised of any further updates.

While we do not have reason to believe that those who were not in close contact with the infected individual have reason to be concerned, we ask that you, as always, to watch for symptoms of COVID-19.

Any of the following symptoms indicate a possible COVID-19 infection:

- Temperature of 100.0 degrees Fahrenheit or higher when taken by mouth;
- Sore throat;
- New uncontrolled cough that causes difficulty breathing (or, for students with a chronic allergic/asthmatic cough, a change in their cough from baseline);
- Diarrhea, vomiting, or abdominal pain;
- New onset of severe headache, especially with a fever; or
- Loss of taste or smell.

If you or any member of the Frankston ISD community begins to experience any of these symptoms in a way that is not typical, contact your physician. We encourage anyone in the Frankston ISD community who is lab-confirmed to have COVID-19 to please notify our school by contacting 903-876-2556.

If you have any questions or concerns, please reach out to 903-876-2556 or visit our website at www.frankstonisd.net.
